Chief Executive Officer

Supporting narrative

As a Trust all our employees are paid in accordance with nationally agreed pay and conditions. Teacher pay is set against a harmonised Trust Pay Policy which follows the principles laid out in the School Teachers' Pay and Conditions Document. Support staff pay and conditions are set following the terms as agreed by the National Joint Council. All roles are assessed to determine the correct pay grade and staff carrying out the roles are only paid within the appropriate grade. Performance systems are in place and have a hierarchy of review where progression is linked to performance. The reader can therefore be assured that any two members of staff doing the same role are paid on the same grade.

The higher male hourly rates therefore reflect the type of roles which male staff are carrying out and not underpayment of comparable female colleagues.

For information the overall split of male to female staff is 17.2% male and 82.8% female.

The Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017 requires specific organisations (to include publicly funded schools) to return information regarding the gender pay gap annually. This is applicable to organisations who have over 250 employees on 31 March of a given year.

On 01 April 2018 Jack Hunt School, Longthorpe Primary, Ravensthorpe Primary, Thorpe Primary and Middleton Primary formed Peterborough Keys Academies Trust (PKAT) with this return being the first required for submission as one entity. Prior submissions were made only by Jack Hunt School as the only school meeting the reporting criteria. Subsequent gender pay reporting will be covering all of PKAT.

*Values in brackets for 2017-18 refer to Jack Hunt School's submission in the previous year.

The CEO signs off the return in the role of delegated representative of the Board of Trustees as 'proprietors' of the MAT. The assurance committee for this return is the Trust's People and Infrastructure Committee, which met and discussed the data on 9 March 2020
