Unlocking Potential

Peterborough Keys Academies Trust Curriculum Intents and Core Principles

Unlocking children's passion to succeed in their school career and beyond through a carefully considered, broad, rich, deep and ambitious curriculum, built through sequenced and interleaving learning, with its opportunities for purposeful 'exhibition standard' work, which meets the differing needs of all our children. Building together strong foundations to acquire the key skills, values, attitudes and attributes for life-long learning; and the resilience and courage to apply them.

PERSONAL BEST

We challenge, support and inspire each other and ourselves to achieve our Personal Best.

We take pride in ourselves and our schools as we confidently take responsibility for our behaviours to achieve our dreams and aspirations.

We are self-aware learners who take care of our physical and mental well-being.

LEADERSHIP

We form positive relationships and grow ourselves as leaders.

Our leadership skills will have a positive impact on others.

Our leadership skills are transferrable to the next stage of our learning and beyond.

LEARNING

We collaborate to create deep, independent, curious and resilient learners.

We acquire, apply and retain powerful and essential knowledge and skills which we are able to transfer and use across our lives.

We are citizens who have been introduced to the best that has been thought and said, and appreciate human creativity and achievement.

OPPORTUNITY

We make the most of every opportunity open to us.

We recognise that the opportunities offered in and beyond the classroom broaden and enrich us.

Our participation in the opportunities offered build our cultural capital needed to succeed in life.

COMMUNITY

We are caring citizens who want to make a positive impact within our local and global communities.

We inform and engage our parents and carers in the learning journey of their children and support them to meet challenges.

Our belief in 'being different and belonging together' enables us to succeed in our diverse and modern world.
